

Instructions for Logging into Tk20

1. Go to the URL inter.tk20.com
2. Enter the Tk20-autogenerated username in to the **Username** field. The default username follows the pattern *first letter of first name + last name + 4 zeroes* (eg: jsantiago0000).

The screenshot shows the login page for Tk20. At the top left, there is a logo for 'Tk20' followed by a box labeled 'INSTITUTIONAL LOGO'. The main content area is a light gray box containing a white login form. The form has two input fields: 'Username' with a person icon and 'Password' with a lock icon. A red arrow points to the 'Username' field. Below the fields is a green button with the text 'LOG INTO YOUR ACCOUNT →' and a blue link that says 'Register your account.'

3. For you 1st login only, enter your InterAmerican identification number in to the **Password** field (eg: A123456).
4. **Please Note:** the “forgot your username or password” link will not work until *after your 1st login into Tk20*.
5. Click **Login**.
6. The **Change Password Screen** will appear. Please complete all the fields. For the **Email** field, enter a valid email address that you regularly check: if you use the “forgot your username or password link” in the future, an email will be sent to the email address that you enter here.
